Date

\* The interest is calculated by applying 8% per annum to December 31, 2001; 6% to December 31, 2002; 5% to December 31, 2003; 3% to December 31, 2004; 4% to December 31, 2005; and 6% after December 31, 2005 to the number of days from the midpoint of 2005 to the due date of this project resulting in an average interest amount due. If you want the exact interest amount due, which may be marginally less or more than computed above, please contact our office and we will be glad to provide you with that amount.
